Global Defence Solutions

A FORCE IN FIELD SUPPORT

GDS is an Australian leader in field support solutions, winning multiple awards for our work and successfully delivering deployable field infrastructure solutions in numerous projects across Defence for over 20 years.

100% Australian owned and controlled, GDS is strategically based in the Shoalhaven between Sydney and Canberra. We create smarter and safer solutions that help military personnel perform to the very best of their ability, day after day. Highly mobile and endlessly versatile, our range can be custom built or easily adapted to meet the unique requirements of every deployment.

DISCRIMINATORS

COMPLETE DEPLOYABLE INFRASTRUCTURE SOLUTIONS

CATERING AND HYGIENE SYSTEMS

GDS supplies and maintains a range of deployable catering and hygiene systems which are compact, rapidly deployable, and easily transportable. Our capability includes catering, laundry, showers, toilets, and multipurpose systems.

CONTAINERISED SHELTER SYSTEMS

GDS builds and maintains a range of fully integrated and expandable container based solutions to meet your requirements. All containers are CSC certified and stackable for easy transport via road, air or sea.

SOFT SHELTER SYSTEMS

GDS supplies, manufactures and maintains a range of soft shelter systems and accessories. Our state of the art V Series Tents (i-4S) are rapidly deployable and can be assembled in under 5 minutes with only four personnel.

LIGHTING AND POWER

GDS designs and manufactures a range of portable lighting and power distribution systems to meet your requirements that are fit for purpose and in accordance with AS/NZS 3001: 2008, AS/NZS 3000 : 2018 and AS/NZS 3003 : 2018.

AIR-CONDITIONING

GDS supplies and maintains a range of transportable environmental control units which are engineered for temporary or transportable buildings, tents and ISO containers.
